## LANGLEY SCHOOL DISTRICT EVENTS OR OPPORTUNITIES:

The SD35 website has an excellent resource for students, parents and staff to use to explore some of the many opportunities. Visit [www.sd35.bc.ca](http://www.sd35.bc.ca) any time for information about opportunities in our district, such as:

### Langley School District Scholarship Database

Please visit <https://www.sd35.bc.ca/students-parents/scholarship-information/scholarships-awards/> for updated information and please feel free to stop by the Counselling Centre for additional help or advice.

### Summer Session in the Langley School District

The ongoing goal of Summer Session in the Langley School District is to provide short term educational opportunities every summer for students to support them in their long term educational development, and to inspire them to reach their full potential. Every year, Summer Session provides an opportunity for grade 1-12 students from Langley and neighbouring regions to explore areas of interest, get extra help, and stay connected with their learning during the summer.

Please visit <https://www.sd35.bc.ca/schools/summer-session/> for updated information and please feel free to stop by the Counselling Centre for additional help or advice.

Every month, a newsletter will be available from the Career Centre which will highlight opportunities and information for students such as post-secondary information events, career explorations or work experience, tours, workshops, programs, etc. You will find this information organized either under school, district or community opportunities as well as scholarship information.
