

My School Day App.

- Totem Time will be discontinued this month and is no longer being supported or updated
- ACSS began the transition to the MySchoolDay App. last June

Use the app to check the school calendar and block schedule, consult the student handbook, access the agenda features to record home learning, etc. Don't forget to turn on pop up notifications for "quick information blasts" re: school events, weather updates, etc.

Steps:

- Delete the Totem Time app from your smartphone or device
- Download the MySchoolDay App from the IOS App Store or Google Play Store

- After installing the app select:
 - District: Langley School District
 - School: Aldergrove Community Secondary
 - IOS APP Store only~ accept the imagery associated with the previous app (aka Totem Time)
 - This will provide the old branding from Tote Time for your app.
 - Google Play Store~ currently does not support custom imagery so the app will not load with ACSS specific imagery.

Staff Channels: If you would like your own private channel (for things such as sports teams, travel groups, trips, departments, classes, etc.) please see Jason and he will make you an account. A private channel is invite only. Codes are provided through the MySchoolDay App.
