September 10, 2020

Dear Students and Families:

Welcome back, Everyone!! While this certainly has not been the usual summer for many, I hope you were able to find some time to enjoy a restful, relaxing, and rejuvenating summer with family and friends.

Throughout the last few weeks, we have been preparing to welcome our students back to ACSS and we are certainly looking forward to that! While there are many changes in terms of Health & Safety protocols, timetables and bell schedules, one thing remains unchanged: our committed and caring staff are ready and eager to welcome back our students.

Your student schedule is enclosed. Student timetables have been built to ensure that Learning Cohorts can be maintained as much as possible. Given the new timetable structure, and given that Learning Cohorts need to be maintained, it is unlikely that course changes will be possible. Counsellors will be available by appointment only if a course change is required. Appointments must be made online and students will need to create an account in order to access this booking system. The website is <https://acss.counsellorappointments.com/>. Click on the "Register" tab and fill in the registration form to create an account. Once students have successfully registered, they can log into the system and register by name.

We will NOT be assigning lockers this year. Students will need to carry their necessary supplies in their backpack or bag.

To stay informed about school events, please be sure to provide the school with an updated e-mail address and visit our website frequently at <http://www.acsstotems.ca> and/or follow us on twitter @ACSS_Totems and Facebook for frequent updates on news and events in our school community. A weekly newsletter is e-mailed home every Friday afternoon, so please look for it!

Looking forward to another fabulous year at ACSS!

Sincerely,

Mr. J. Lyndon
Proud Principal ACSS
