PRINCIPALS MESSAGE

Good afternoon ACSS students and families,

We here at ACSS would like to wish all in our community a safe and healthy spring break. Classes will resume on Monday, March 29th as the 7th week of the 3rd Quarter. With clocks springing forward at 2:00 AM on Sunday, March 14th we will all have a little extra daylight to get outside and enjoy the fresh spring air. Please enjoy the time away from school with lots of rest, relaxation, reading and time outdoors!

This past week at ACSS was, as always, an eventful one. Grade 10 & 12 students all completed Ministry of Education student surveys, Grade 11 & 12 classes switched from afternoon hybrid classes to morning classes, parent-teacher interviews occurred, Science classes successfully completed egg drop experiments, other departments engaged students in meaningful learning (as they always do) and all of us dealt with our own anxieties and excitement around the upcoming break from our regular routine.

With the days growing shorter and the weather changing to rain, fog, and frost, Aldergrove Community Secondary is reminding all our students to take extra precaution when walking to and from school. Student safety is our priority. Thank you for your cooperation and support in keeping everyone safe.

Information About School Status During Inclement Weather

Snow closures and power outages are an annual occurrence in Langley School District. So, where do you go to get information about the status of schools during periods of inclement weather? If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on all school websites or www.sd35.bc.ca. Updates are also posted to Twitter @LangleySchools and Facebook at www.facebook.com/langleyschooldistrict. If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you. Local radio stations are also informed of school status in Langley. Tune in to CKWX 1130AM, CKNW 980AM, Country Radio 107.1FM, Pulse 107.7 or CBC 690AM or 88.1FM for updates.

Please note that Langley District schools are all considered 'open' until a decision to close is required. Decisions on school closures are usually made by 6:30am. As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.

Enhanced Safety Measures for K-12 Schools

The District appreciates all the hard work from students, staff, and families in helping keep our community safe. We continue to work closely with the Ministry of Education and Provincial Health Office. This week the province announced changes to COVID-19 health and safety guidelines for schools. Mask requirements for middle and secondary school students and K-12 staff have been amended. Guidelines have also been strengthened for physical education and music classes.

It is important to note, our schools will need some time to implement these new changes; all changes will be in effect as of February 26, 2021. Your continued patience and support are appreciated. If you have any questions, please contact the school.

Please read below and full details found in the province's news release located on the District website [here](#).

Changes to Mask Wearing

All middle and secondary students and K-12 staff will now be required to wear non-medical masks in all indoor areas, including when they are with their learning groups. The only exceptions are when:

- sitting or standing at their seat or workstation in a classroom;*
- there is a barrier in place; or*
- they are eating or drinking.*

For elementary students, wearing masks indoors remain a personal choice.

It is important to note, as advised by the province, these changes above do not apply to grade 6 and 7 students attending an elementary school.

Changes to Physical Education and Music Classes

High-intensity physical activities are to be held outside as much as possible. Shared equipment or items, such as weight machines, treadmills or musical instruments, can be used only if they are cleaned between use, according to strict school sanitization guidelines. Students using equipment or playing instruments should also be spaced at least two metres apart and masks are to be used when singing.

WorkSafe BC has now launched the 2021 Student Safety Video Contest and students are invited to start working on their videos! There is a team of staff members that are happy to work with any student that is interested in participating over the next couple of months to help your entry to be the best it can be!

- The theme of this year's contest is *I am doing my part* (focus on how young workers can do their part to stop the spread of the virus and other infectious diseases in the workplace).
- The contest is open to Grades 8-12 students.
- To ensure health protocols are followed, students must work independently and film the videos themselves rather than as part of a team. These self-filmed entries can be live action, documentary-style, animation, stop motion...whatever creative style your students can imagine.

Entries are to be submitted to either Mr. Probert, Mrs. Smith, Ms. Wight or Mrs. Wilkie by **10:00 am on Monday, March 29, 2021.**
